

Quality Policy

Milturn Finishing's purpose is to deliver total customer satisfaction primarily in subcontract metal finishing for the camera lens, aerospace, automobile and general engineering industries. This is achieved by commitment to Customer Focus. Superior Process Management. Continuous Improvement and Involvement.

This Quality Policy is appropriate to the purpose & context of the company and supports its strategic direction & provides a framework for setting quality objectives within the business and is continuously monitored, reviewed and updated to ensure it continues to satisfy applicable requirements including, legal compliance and continual improvement of the systems.

Quality is the collective and mandatory responsibility of all personnel and our policy will only be achieved by the commitment and team effort of all employees and adherence to the Quality Management System (QMS) requirements. All personnel will be trained in their role within the quality system and the relevant parts of the QMS may be issued to certain persons involved in the management and inspection of quality to enable them to take action needed to operate the quality system successfully.
